SWT7123

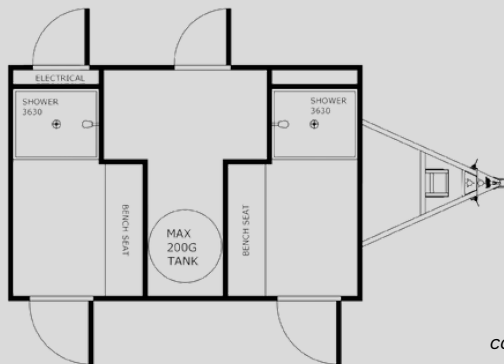

SHOWER TRAILER

2-STATION SHOWER TRAILER

The SWT7123 Two-Station Shower Trailer offers private shower rooms and a large mechanical room for easy maintenance. Built for efficiency, the trailer features low-flow showerheads (1.5 gallons per minute) and durable PEX water lines for cold-weather performance.

Each shower room has water-resistant fiberglass walls, a bench for changing, coat hooks, and a privacy lock. Guests can also control their shower temperature, ensuring a comfortable and private experience.
